Napping Arrangement

The Harrison Children’s Center offers children a robust and busy 8-10 hour day. Children are busy both physically and intellectually during the course of that day. Part of our day is a nap/rest time from 12:30 – 2:00 p.m. within each classroom. Your child will be provided with a raised cot and parents will provide appropriate bedding. (See parent handbook page 13) Bedding must be taken home and washed weekly, typically the last day of the week. During the course of their very busy morning they are often tired and need to either nap or at the very least rest. If your child is unable to sleep during nap time they will be offered quiet activities on their cots or a quiet play area within the classroom, whichever they prefer. We always allow a special soft animal to sleep with while at HCC. Your child will be supervised by HCC staff in compliance with OCFS regulations during nap/rest time. If your child requires any special arrangements for nap time please list what your preference is below.

Individual Napping Arrangements for (child’s name) _____.

____ I acknowledge that I have read the napping arrangements provided by HCC and agree with arrangements above.

____ I acknowledge that I have read the napping arrangements provided by HCC and request that you provide my child with special arrangements noted in comment section.
